**CSSHL LEAGUE MISSION STATEMENT**  
**TO BE NATIONAL LEADERS IN EDUCATION-BASED HOCKEY**

**ABOUT THE CSSHL**

In 2009, five like-minded Hockey Canada Sport Schools came together to launch the Canadian Sport School Hockey League. Their vision was to establish a league designed specifically for elite level student athletes, give these athletes an opportunity to increase their skills on and off the ice, and provide athletes with a high level of competition as well as exposure.

The inaugural 2009-10 season featured five sport schools and eight total teams spread across two divisions. During the 2024-25 season, the CSSHL features 38 sport schools and 124 teams in 8 different divisions.

All programs within the CSSHL are sanctioned by Hockey Canada or Hockey USA, meeting the regulations of not only Hockey Canada/Hockey USA, but their provincial or state branch as well.

The CSSHL continually strives to be a leader in education-based hockey in North America with Hockey Canada registered Sport Schools. The objective of the league is to provide a competitive environment for young student athletes that share similar values of Sportsmanship, Citizenship, Academic Excellence and Hockey Development.

## Andy Oakes / CSSHL CEO

On behalf of the CSSHL, welcome to the CSSHL Western Championships in beautiful Penticton, BC! We are excited to welcome our student-athletes from across 24 programs and 104 teams to the city over the next few weeks. We are also pleased to welcome a record number of scouts and officials to the event along with family, friends and special guests who are here to celebrate and support our players.

The CSSHL remains one of the fastest growing programs within the game of Hockey in Canada, adding 7 new member programs in 2024, and 7 new teams to our existing member programs. We remain committed to our mandate to develop and mentor young student-athletes, both athletically and academically, while encouraging their personal growth as young women and men. We could not be prouder of our student-athletes. Thank you for being here to cheer them on over the coming days!

A person with extensive tattoos on their arms is holding a large, round metal platter. The platter is overflowing with a variety of cooked chicken wings, some of which are being held up by the person's hands. The background is dark, making the golden-brown wings stand out.
